A COURSE IN MARIGOLDS (PAPERBACK)

FEARLESS BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world's wackiest gardening manual returns! Gloria's gardening will never be the same! -- Endorsement of the original 1988 edition by KENNETH WAPNICK, Ph.D., editor of A Course in Miracles I love your book, and have been spreading it around. Keep up the gardening! -- MARIANNE WILLIAMSON, author of A Return to Love I'm sure wherever it goes, this book will continue to plant seeds. He who has two good ears to hear, let him hear! -- GARY RENARD, author of the Disappearance of the Universe trilogy Mysteriously misplaced in a leaky garden shed since the turn of the century, A COURSE IN MARIGOLDS is back to muddle the minds and lighten the hearts of students of A Course in Miracles everywhere. This brilliant parody by Michael Stillwater echoes the unmistakable prose of the original to present an ACIM for Gardeners that is hard to describe and even more difficult to learn. A hilarious hybrid of horticulture and holiness, this ACIM begins where many other spiritual systems have wandered off, and ends where no other system would even dare to begin.
