Her father and brothers are fighting alongside the Patriots. But her best friend s family has sided with the Loyalists. Where should Elise s loyalties be? When news reaches Elise and her mother, that her father and two of her brothers have been captured and her other brother is dead. Elise makes a final decision to be a Patriot. How could she side with the people who have hurt her family? But now she must make an even harder decision. Should she wait at home where it s safe and hope for the best? Or should she put a plan into action that will reunite her family? Whatever she chooses she will need all the help she can get, from her enemies.
