Within a very short time frame, the Pacific coastline changed from California to Nevada. It was quick and powerful and brought a disaster such as mankind had never witnessed before. All major news sources were reporting, no survivors and the sea has swallowed up the dead and the end is near. Well, if James Oliver Thomas (Jot) had heard those reports he would have disagreed because he and his dog were very much alive. At fourteen years of age he was cast into the role of elder when Bubba, the lab, guided him to the locations of four younger children. How could five young children, lone survivors, cope With God of course!!!! Dream Catcher - The truth is, the I AM of all creation is the Dream Catcher and when you trust that to be so, he catches the evil and either eliminates it or turns it to good.
