Createspace, United States, 2009. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a short, easy to read instruction manual on dowsing. Dowsing is a simple way to access universal knowledge for answers to questions by using a simple mechanical tool. In a sense, it can be considered intuition on demand. Dowsing is known by different names like divining, witching or many others. It has been used since ancient times to locate water wells, find a variety of things or get answers to questions about almost any topic. The purpose of this short book is to provide a how-to for learning to use this time proven skill. You can read it in a few hours and have a good idea of how to apply dowsing in your life whenever you want. This book contains many basic and advanced techniques. This is for anyone who wants to step beyond conventional thinking and start being more self-empowered. In the words of one of his clients, Robert Gandrup combines the wisdom and precision of a time honored system with contemporary savvy.
