THE PRODIGAL SON (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Prodigal Son This little book makes no pretensions to learning. It is not a dissertation, nor a commentary, nor reflections on the Parable of the Prodigal Son. It is simply a magnifying of the life-sketch of mans career, which our Saviour drew. It is an enlargement of the picture of sin and redemption as portrayed in this Parable, We have not gone outside of the narrative; but have endeavoured to weave everything about its leading threads. Pretending to no originality, save in the combinations, we have availed ourselves of whatever material lay at hand. Besides the commentaries familiar to all, it is necessary to name an author to whom we are greatly indebted. In the years 1860 and 61, a series of articles on the Prodigal Son appeared in the Independent. These were from the pen of the Rev. Dr. Tyng. We are not aware that they have been put in book form. From them we received many valuable suggestions and a few illustrations; most of which, if not all, are indicated as they are used. The only motive in presuming to place this book before the public, is the hope, and earnest prayer, that it may do good; especially to the young. Besides, we do not know of any work on the Prodigal Son of this character. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
