

## Ratiosophia: The Book of the Thought (Paperback)

By Elena Petreșteanu

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throughout the content of her book, RatioSophia, Elena Petreșteanu puts us face to face with a method that guides the rational - to super-rational, and seeks the truth of a world tested and proved by means of philosophy, theology and science. This reflexive task, original through the inter-disciplinary contents it puts forward, reclaims the two traditional discourses of relational analysis of the universe and the individual as entities, and respectively as beings, in an unconventional formula, which RatioSophia embraces in the form of an authentic and equally autonomous thought system. However, attempting the synergy of social, mystical, physical, metaphysical, theological, anthropological and mathematical, into a coherent unitary model, capable of activating genealogically and archeologically all the demands of rigor and understanding of the universe and the individual at their core being, is not only a methodological and conceptual effort, but also an act of bringing coherence to traditions. The intellectual mission that Elena Petreșteanu takes on in the pages of the book RatioSophia is at the service of this attempt. Through RatioSophia, the author ascertains the theory of complementarity in relation to...
