This item is printed on demand - Print on Demand Neuware - Research Paper from the year 2014 in the subject Pedagogy - The Teacher, Educational Leadership, grade: 1, University of Hawai`i at Manoa, course: Research in Dance, language: English, abstract: Currently, in education, there is a movement towards the necessity of a greater representation of highly qualified teachers in schools. Why is there a lack of representation of dance education in the certification of educators for K-12 students I propose that many states will not allow these programs to exist for fear of lack of enrollment (which is a real problem), and for the fact that governments tend to focus on what is wrong with the inclusion of dance education in training programs, and ignore what is already working. It is much easier, for example, to say that there are not enough schools which offer dance to justify a dance teacher training program than to admit that teacher training programs in dance could, possibly, help raise the number of schools who have dance programs. There is a shift in the idea of educational reforms which exist within this...
