Dyslexic Dog Publishing. Paperback. Condition: New. 310 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. A Complete Teaching and Management System Just imagine how it would feel if you could cut your busy time in half and double the effectiveness of your teaching time. This book gives you the clear step-by-step teaching methodology process of exactly how to implement a fully integrated active brain based learning and teaching system that brings stellar teaching success. This series gives you all the tools you need so your students become wholly engaged, learn fully and deeply, and have great behavior because they want to be in your class. Teaching is hard isn't it First you spend hours preparing for class. With your hard work complete and ready to teach, you realize you have to also be a disciplinarian, motivator, and counselor! Of course you didn't start teaching to become a disciplinarian, you did it to help kids learn and make the world a better place right You have probably looked at lots of teaching methods, teaching techniques and classroom management systems such as learning modalities, multiple intelligences and flipped classroom only to find that they just added many extra hours onto your already busy schedule with little or no real results except you being even more exhausted. So what are your options Of course you can just keep on battling on doing what you do now. You can research and do trial and error to find a better way. Or you can learn from the dedicated efforts of a complete school faculty and staff team that has already been there. Sound good Let me give you a little of what you will learn You will learn how to: - Optimize your students understanding and learning. - Optimize your students retention: Short term, working memory,...
