Christian Focus Publications Ltd, United Kingdom, 2014. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. Basil of Caesarea (329-379 AD) was a Greek Bishop in what is now Turkey. A thoughtful theologian, he was instrumental in the formation of the Nicene Creed. He fought a growing heresy, Arianism, that had found converts, including those in high positions of state. In the face of such a threat he showed courage, wisdom and complete confidence in God that we would do well to emulate today. About Early Church Fathers: this series relates the magnificent impact that these fathers of the early church made for our world today. They encountered challenges similar to ones that we face in our postmodern world, and they met them with extraordinary values that will encourage and inspire us today.
