Reviews

Undoubtedly, this is the greatest operate by any article writer. It is actually writer in straightforward words instead of confusing. Your life period is going to be change as soon as you complete looking over this book.

(Karina Ebert)

MCCLELLAN S MILITARY CAREER REVIEWED AND EXPOSED: THE MILITARY POLICY OF THE ADMINISTRATION SET FORTH AND VINDICATED (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from McClellan s Military Career Reviewed and Exposed: The Military Policy of the Administration Set Forth and Vindicated There is no object more calculated to claim the sympathy of a generous people than a defeated general; and unless his failure has been associated with circumstances of personal turpitude he is pretty sure, sooner or later, to receive that sympathy. Machiavelli, that subtle observer, points out that the Romans never blamed their unsuccessful commanders, esteeming that to a high-minded man the mortification of defeat was of itself punishment, enough. Sertorius, Mithridates and William of Orange were habitually unsuccessful generals, and yet history has not chosen to cast contumely on their names: on the contrary, the memory of their failures is covered up by the remembrance of qualities of mind that deserved, if they could not command, success. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
