ECHOES OF YESTERYEARS

America Star Books, United States, 2008. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.As a sequel to We, Us and Others, the events in this book took place many years later. The Gods had, in a previous occasion, come down to earth and observed how human beings were misbehaving. An emissary was sent down to observe man especially with regard to how he ruled himself. This, therefore, had a lot to do with politics as seen in its rudimentary, but very effective, form in WADICO, quarrels between towns, corruption in big cities as well as philosophical arguments in the court. The truth was essentially of no consequence. He also got firsthand information about an unjust war, observed sexual promiscuity and deviance, as well as even the religious members of the society tampering with charitable donations. In all it was a narrative in the form of a story that highlights man and his inadequacies in the fields of corruption, politics and morality.
