Wildside Press, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From Mrs. Zant and the Ghost The course of this narrative describes the return of a disembodied spirit to earth, and leads the reader on new and strange ground. Not in the obscurity of midnight, but in the searching light of day, did the supernatural influence assert itself. Neither revealed by a vision, nor announced by a voice, it reached mortal knowledge through the sense which is least easily self-deceived: the sense that feels. The record of this event will of necessity produce conflicting impressions. It will raise, in some minds, the doubt which reason asserts; it will invigorate, in other minds, the hope which faith justifies; and it will leave the terrible question of the destinies of man, where centuries of vain investigation have left it -- in the dark. * Don t miss these stories also included: Mr. Captain and the Nymph, Mr. Marmaduke and the Minister, Mr. Percy and the Prophet, Miss Bertha and the Yankee, Miss Dulane and My Lord, and Mr. Policeman and the Cook.
