Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It seems nowadays than whenever you turn on the evening news, scan the internet, or even mingle in public, you see more and more examples of people looking for some kind of handout. Sure, we re familiar with the usual suspects like career welfare recipients and other various able-bodied layabouts with no ambition to improve their life situations, but you might be surprised to learn such a mentality exists amongst those most would consider well-off and productive. Gimme! Gimme! Gimme! contains shocking and sometimes amusing anecdotes of entitlement mentality based on experiences and observations of the author. Prepare to pick your jaw up off the floor and laugh yourself silly as you read the contents within. Of if you one of the thousands of gimme gimme jackholes who made the conscious decision to purchase this book (or maybe a friend or family member gave it to you as a gift), feel free to TRY to get your money back or, if you re especially enraged, just rip it to shreds! Whichever!.
