

Bikes in Space: More Feminist Bicycle Science Fiction

By -

Elly Blue Publishing. Paperback. Condition: New. A reader of science fiction since she was a child, Elly Blue elected to make this issue of Taking the Lane into a powerful tribute to feminist sci-fi about bicycles. It gravitates away from the unfortunately-traditional macho heroes, hurtling through space with giant guns, ready to protect and/or tame their scantily clad space babe. Elly's visions of the future are populated by strong, intelligent, empowered women with complex personalities. And it was a vision apparently shared by many! Help us fend off this space shark attack in style! Ieeeee! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
