Can the employer claim damages for delay as an alternative or in addition to a claim for liquidated damages? Under which circumstances can the employer defeat a clause limiting the contractor's liability for delays? Do interim delays trigger claims for liquidated damages? How are claims for liquidated damages calculated and enforced? Can the contractor claim a reduction of the employer's claim for liquidated damages? Under what circumstances can the contractor or the employer claim an extension of an agreed time limit and who owns the float? How are concurrent delays dealt with? Does the law impose any notice requirements on the employer in regard to claiming liquidated damages? Under which circumstances does a delay warrant termination of the...
