Our ancestors DNA runs through our physical body, and their emotional patterns and energetic patterns continue flowing in our lives unless we take charge of clearing the unhealthy patterns holding us back in this lifetime. Is it time for you to change your life? Healing Family Patterns: Ancestral Lineage Clearing for Personal Growth describes this advanced healing technique that releases negative patterns of our ancestors who influence our present life. By a combination of description, storytelling and specific direction, Ariann Thomas informs the reader of how the process of healing of family patterns began and developed in her own life as well as in the lives of her clients. After discussing her theory of the healing process, including a section on time and quantum mechanics theory, the last part of the book takes the reader on a step-by-step instructional phase designed to train the reader in the healing technique the author calls Ancestral Lineage Clearing. Healing Family Patterns: Ancestral Lineage Clearing for Personal Growth gives a unique perspective to help the reader reach the innermost depth to resolve complex long-standing family challenges....
