Wipf Stock Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Marriage and the Counsel of God is the product of over twenty-two years of biblical study and pastoral counseling. The text and accompanying workbook have proven themselves an effective means of preparing couples for marriage, of supporting those already married, and of recovering marriages that are failing. The text focuses on the biblical model for marriage found in Genesis and Ephesians while following an outline of basic Christian beliefs (e.g., the Ten Commandments, the Apostles Creed, the Lord s Prayer, baptism, Holy Communion, and confession/absolution). The essential elements of these beliefs are considered for their import in the Christian life in general and regarding marriage in particular. Abundant Scripture references are provided, as well as examples from real-life situations. These and other helpful resources are also given in indices for quick reference. The book and workbook are written in clear, nontechnical, and engaging language and so are aimed for students and teachers of counseling, for counseling professionals, for pastors, and for the public in general. Marital dissolution continues to be an increasing characteristic of our society. In large measure, this situation is due to a lack of sound preparation for marriage and--from a Christian perspective--a paucity of resources marked by theological depth and serious biblical study. Eschelbach has produced a book that embodies both of these traits. I am confident that his work will contribute to the great need for Christian marriage education. --John F. Johnson, President, Concordia University, Chicago Marriage is an institution established by God in the Garden of Eden. Thus, a husband and a wife enjoy a relationship made for intimacy, exclusivity, and love. Marriage can also be the crucible of the deepest pain and heartache. God has...
