Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

DAW BOOKS, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In the days leading up to Christmas, struggling actress Esther Diamond is working as a singing-and-dancing elf at Fenster Co, a major Manhattan department store. As if dealing with hordes of holiday shoppers isn't bad enough, Esther's ex-almost-boyfriend, Detective Connor Lopez, is on the scene investigating a series of mob-related truck hijackings of Fenster's merchandise. Semi-retired hitman Lucky Battistuzzi is also nosing around, since the mob resents being implicated in thefts they didn't commit. But when supernatural mishaps occur, Esther realizes this is more than the usual holiday insanity--it's time to call in her friend Max, Manhattan's resident mage. Esther and Max discover that Fenster's has become the staging ground for the rebirth of an ancient demon that's plotting to escape its mystical prison on the winter solstice. As dimensional barriers crumble, can Esther rescue her fellow elves, save her city from demonic disaster, and collect her paycheck in time to make rent? Poltergeist is the thrilling fifth installment of the Esther Diamond series.
