SIMON SCHUSTER, United States, 2011. Paperback. Condition: New. Reprint ed.. Language: English . Brand New Book. Amy Curry thinks her life sucks. Her mom decides to move from California to Connecticut to start anew--just in time for Amy s senior year. Her dad recently died in a car accident. So Amy embarks on a road trip to escape from it all, driving cross-country from the home she s always known toward her new life. Joining Amy on the road trip is Roger, the son of Amy s mother s old friend. Amy hasn t seen him in years, and she is less than thrilled to be driving across the country with a guy she barely knows. So she s surprised to find that she is developing a crush on him. At the same time, she s coming to terms with her father s death and how to put her own life back together after the accident. Told in traditional narrative as well as scraps from the road--diner napkins, motel receipts, postcards--this is the story of one girl s journey to find herself.
