Octopus Publishing Group, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Climate change is at the top of many people s concerns, but it s not always clear what the solutions are. We are ready and willing to make changes to our lifestyles, but often get confusing advice about which are the best ones to make. Do we all have to put on hair shirts, or is it possible to live a comfortable, enjoyable greener life? These books will show you how to make small and big changes in a positive and practical manner. Accompanied by full-colour illustrations and photographs, each book will give you 50 of the best ideas to make your house (and garden) greener, save water and energy and be a greener shopper and traveller, without asking you to turn your whole life upside down or turning you into a bore.
