

## Jurassic Coast Monsters

By Jurassic Coast Team

Coastal Publishing, United Kingdom, 2010. Paperback. Book Condition: New. Darrell Wakelam (illustrator). 297 x 210 mm. Language: N/A. Brand New Book. For children aged 4-12 the book is an introduction to the Jurassic Coast . Packed with fascinating facts about fossils and Jurassic Coast creatures, fun activities, and child friendly explanations of how fossils are formed and why the Jurassic Coast is such a scientifically important and special place. Stickers help children to explore the three different environments that make up the fossil record along the coast, through these pages they can discover the different creatures that roamed the area all those millions of years ago. There is also information on where fossils are found along the coast and where best to look for them including SAFE fossil collection based on the fossil collectors code.
