

Machona Awakening: Home in Grey Matter (Paperback)

By Simon Chilemba

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Returning to South Africa after thirty-eight and half years of exile turned out to be a shocking anti-climax for me. With this book I share blog articles I wrote as I introspected on this unexpected reality. In the process, I discovered a liberating truth about the land of my birth and myself: home is a state of mind, and the heart. I came to understand that if societal and individual growth and change do not keep pace with each other over time, the dynamic of a sense of home gets broken for the individual. The point being that the place called home is often a given space, with rules to regulate human behaviour. The latter to ensure as much peaceful and harmonious existence for all as possible; that, within the given and natural contexts of the roles each one of us has to play in the processes of social engineering and management. Rules of the country, as manifest through its social engineering and management institutions and processes, both influence and design its culture. The culture may either...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
