By Jenny Lawson

Picador, 2016. Taschenbuch. Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - For fans of David Sedaris, Tina Fey and Caitlin Moran comes the new book from Jenny Lawson, author of the No. 1 New York Times bestseller *Let's Pretend This Never Happened*. In *Let's Pretend This Never Happened*, Jenny Lawson regaled readers with uproarious stories of her bizarre childhood. In her new book, *Furiously Happy*, she explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety that sounds like a terrible idea. And terrible ideas are what Jenny does best. As Jenny says: 'You can't experience pain without also experiencing the baffling and ridiculous moments of being fiercely, unapologetically, intensely and (above all) furiously happy.' It's a philosophy that has - quite literally - saved her life. Jenny's first book, *Let's Pretend This Never Happened*, was ostensibly about family, but deep down it was about celebrating your own weirdness. *Furiously Happy* is a book about mental illness, but under the surface it's about embracing joy in fantastic and outrageous ways. And who doesn't need a bit more of that 256 pp. Englisch.

### Reviews

*This publication is wonderful. I could comprehend every thing out of this published e publication. You can expect to like the way the blogger write this publication.*

-- **Eliseo Rippin**

*These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer create this book.*
