

## IT Essentials Course Booklet: Version 5

By Cisco Networking Academy

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, IT Essentials Course Booklet: Version 5, Cisco Networking Academy, Cisco's IT Essentials: PC Hardware and Software curriculum introduces the skills needed to help meet growing demand for entry-level information and communication technology (ICT) professionals. It covers the fundamentals of PC technology, networking, and security, and also introduces advanced concepts. While extensive online study resources are available, many have requested a low-cost printed resource for study offline. This booklet is that resource. Drawn directly from the online curriculum, it covers every skill and competency required by the new A+ exams (220-801 and 220-802): \* Define IT and describe a computer's components \* Protect self, equipment, and the environment \* Assemble a desktop computer step-by-step, and install and navigate an operating system \* Explain and perform preventive maintenance and basic troubleshooting \* Upgrade or replace components of laptops and peripherals \* Connect computers to networks \* Implement basic security \* Communicate well and behave professionally \* Assess customer needs, analyze possible configurations, and recommend solutions This booklet enables students to study offline, highlight key points, and take handwritten notes. Its text is extracted word-for-word, from the online course, and headings with exact page...
