LEUKEMIA: FROM DIAGNOSIS TO WINNING THE BATTLE (PAPERBACK)

Kouba Graphics Inc, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You re a young 24-year-old, three months out of college, working as a Systems Engineer for a company, at a salary you named. You re engaged to be married in a month, closing on a house and on top of the world, and that world has just been turned upside down. You ve just been diagnosed with cancer - leukemia. Now what? So much uncertainty. In fact, the only certainty is just how uncertain everything is. But wait. Maybe there s a reason for all this. Maybe some underlying purpose. Maybe this was all part of some greater plan. This is the personal account of one man s journey from being diagnosed with Leukemia and how he survived this disease. It s an account of perseverance, fear, sorrow, loss, hope, near death, gratitude, perspective, and it s riddled with sex, drugs, rock n roll, and speckled with a bit of science, education, medicine, and research.
