

## Cosmographie (Paperback)

Filesize: 9.43 MB

### **Reviews**

*It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.*  
*(Katlynn Haag)*

## COSMOGRAPHIE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Il fut un temps, et ce temps n est pas encore bien loin de nous, ou toutes les sciences devaient prendre leur origine dans la Bible. C etait la base unique sur laquelle on leur permettait de s elever; et d etroites limites avaient ete fixees a leur essor. On laissait l astronome observer les astres et faire des almanachs, mais a condition que la terre resterait au centre du monde, et que le ciel continuerait a etre une voute solide, parsemee de points lumineux; le cosmographe pouvait dresser des cartes, mais il devait poser en principe que la terre etait une surface plane, suspendue miraculeusement dans l espace, et soutenue par la volonte de Dieu. Si quelques theologiens, moins ignorants, permettaient a la terre de prendre la forme ronde, c etait a la condition expresse qu il n y aurait pas d antipodes. L histoire naturelle des animaux devait partir de la reproduction de ceux qui avaient ete conserves dans l arche; l histoire et l ethnographie avaient pour base commune la dispersion, sur la surface de la terre, de la famille de Noe. Les sciences avaient donc leur point de depart fixe et determine, et l on traçait autour de chacune d elles un cercle d ou il lui etait interdit de sortir, sous peine de tomber a l instant sous la redoutable censure des theologiens, qui avaient toujours au service de leur opinion, bonne ou mauvaise, trois arguments irresistibles, la persecution, la prison ou le bucher.
