

Oxford Textbook of Psychopathology (Hardback)

By -

Oxford University Press Inc, United States, 2014. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. While most abnormal psychology texts seem to aim solely for breadth, the acclaimed Oxford Textbook of Psychopathology aims for depth, with a focus on adult disorders and special attention given to the personality disorders. Now in its third fully updated edition, it has established itself as an unparalleled guide for professionals and graduate students alike. Esteemed editors Paul H. Blaney, Robert F. Krueger, and the late Theodore Millon selected the most eminent researchers in abnormal psychology to cover all the major mental disorders, allowing them to discuss notable issues in the various pathologies which are their expertise. This third edition of the Oxford Textbook of Psychopathology is fully updated according to the DSM-5 and also reflects alternative, emerging perspectives in the field (e.g., the NIMH s Research Domain Criteria Initiative; RDoC). The Textbook exposes readers to exceptional scholarship, a history of psychopathology, the logic of the best approaches to current disorders, and an expert outlook on what researchers and mental health professionals will be facing in the years to come. With extensive coverage of personality disorders and issues related to classification...
