Little, Brown Company, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. With the game to kill the White Rabbit abandoned, the remaining denizens of Wonderland set out to escort the White Rabbit to the final page of the story. But this is easier said than done because it s no longer only Lewis Carroll s interference with which they have to contend. As Probably Alice and his ragtag group of allies undertake their first and last mission, they vow to uphold the sole rule of this new game-no matter who is sacrificed, there is no looking back.
