

Buddy.Growing Hair in the Wrong Places: The Road to Adulthood (Paperback)

By MR Frank Buddy Vaiden

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. After Childhood, the next place to go is adulthood in its infancy, and how your continued life experience reflects the greater maturity levels that you have available. This becoming more advanced as you go through your adolescence, and finally get on your feet to be responsible for your financial decisions. As with all of the Touched series books, except for the children's book, I maintain a strong under current of scriptural events, and prophecies. As a messenger we all keep growing to spiritual maturity. Today is July 7, 2015, and the last few weeks have been history in the making. As being timely to social issues, I broke off from just telling sometimes cute stories, to take on the subjects of gay marriages being made legal, and addressing the transgender/transsexual issues that are still autobiographical. I am always trying to get into your head, by giving answers to major social revelations that explain what it is like to be a person who is personally involved when history has been made. As I have personally experienced the...

Reviews

The publication is great and fantastic. It is packed with knowledge and wisdom You will like how the article writer publish this publication.
-- Mrs. Alta Kling V

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
