# The 21st Century Elementary Library Media Program

By Carl A. Harvey

ABC-CLIO, United States, 2009. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.How do you accomplish a technology transformation at a time with limited budgets? What s the proper place for Web-placed social networking in the school library? What are the best practices for working together with students, parents, and educators? The 21st Century Elementary Library Media Program is an invaluable resource for answers to these and many more questions, as it brings together in one volume the advice and insights you need to bring your library into the new century. Compact yet remarkably comprehensive, The 21st Century Elementary Library Media Program covers all the major aspects of school library services, from administration to instruction. Award-winning library media specialist Carl Harvey provides tips and techniques, forms and templates, and advice on everything from staffing and budgeting to collaborating with teachers and other libraries to Web 2.0 and other new computer tools to building collections and devising special programs. Whether you are just getting started, or a library veteran looking for program renewal, this book belongs on your shelf.
