SIMON SCHUSTER, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In the tradition of Anne Rice and Elizabeth Kostova comes a hauntingly atmospheric tale spanning several lifetimes--a love story featuring alchemy, lust, and betrayal. True love can last an eternity . . . but immortality comes at a price. On the midnight shift at a hospital in rural St. Andrew, Maine, Dr. Luke Findley is expecting a quiet evening. Until a mysterious woman arrives in his ER, escorted by police--Lanore McIvrae is a murder suspect--and Luke is inexplicably drawn to her. As Lanny tells him her story, an impassioned account of love and betrayal that transcends time and mortality, she changes his life forever. . . . At the turn of the nineteenth century, when St. Andrew was a Puritan settlement, Lanny was consumed as a child by her love for the son of the town's founder, and she will do anything to be with him forever. But the price she pays is steep--an immortal bond that chains her to a terrible fate for eternity.
