Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.

They fly with Pierre, the French Teddy Bear, in his first red satin hot air balloon ride. They sail with Capt. James Pilgrim on the Mayflower III in Ian s swimming pool. They go with Joe Hunter when he is learning how to drive the kiddie car. They learn to play and sing Christmas carols using the think system. Wooden Soldier, from England, stands guard while the Christmas people have their adventures. They tell Ian about their activities, but they don t talk with his parents. Maralee began reading and story telling with her dolls and neighborhood playmates. Later, as an educator, she read and taught story writing to her students in elementary school and at California State University, Northridge. She and her two sons created the adventures of their souvenir ornament Christmas people.
