Createspace, United States, 2011. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a bestseller in Italy, having sold over 50,000 copies from 1979 to the present. What is the secret of such a success? And, first of all, is it a success? I think it is. The secret, if there is one, is probably my lucky disposition, among my few qualities, to share my knowledge in Astrology in a very clear way. I think that this almost complete manual has gained the appreciation of my readers, perhaps because through a simple, elementary, and clear language, I have tried to lead many neophytes from absolute ignorance of the subject to a good average level of knowledge. While I was working on this book there was always a strong will to explain the many chapters of this manual as if I was addressing school children. In the thirty-two years of its life, this book has shaped many generations of astrologers, and a lot of people have continuously gratified me for this work, insisting on what has been considered by almost everyone to be the greatest quality of this book: its accessibility. Why do I wish to present this volume to my international readers and, in particular, to my American readers after thirty-two years? If you allow me, I d like to conduct a little test on you. I d like to ask you a few things. - Do you know that your astrological sign can be your Solar sign or your compensated Solar sign (since many people act like those who have opposite characteristics to their Solar sign)? - Do you know that a high percentage of Aquarians becomes deaf or almost deaf in old age? - Do you...
