Benitez Holdings Ltd. Imprint of Telemachus Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Thousands of homeowners across the United States and Canada are being affected by the Foreclosure Phenomenon on a daily basis. Foreclosures are plaguing our society more than they ever have before, and the biggest challenge that struggling homeowner s face is the lack of reliable information available to them. Consider this book your foreclosure survival guide. If you are going through a foreclosure proceeding, are struggling to make your mortgage payments or are being threatened to have your house foreclosed on, this book is for you. The Foreclosure Phenomenon puts foreclosures into the simplest terms possible. It offers new insight on foreclosures from the banks perspective and more importantly it offers struggling homeowners ideas and strategies that they can use to successfully defend their home from a foreclosure. You are given a clear overview on what a foreclosure is, how court proceedings are carried out, and most importantly how you as a homeowner can save your home from a foreclosure. This book offers you a step-by-step guide on what you need, what information you need to obtain and from who, who you need to talk to, what you need to do and what to do with all of this information you have collected. In addition, each chapter outlines the different types of financial situations you may be experiencing - you could be ahead, breaking even, or underwater. The author offers suggestions and strategies any homeowner can easily implement regardless of which specific situation they find themselves in. The author gives his reader access to bonus information on how to calculate property value, a sample household income and expense budget, a link on how to improve communication and...
