Years after leaving a special ops career behind, Troy Norton is basking in the comfortable bliss of life as a family man. Entirely devoted to his wife and his teenage daughter, things couldn't be better as a midlife crisis occasionally threatening to rear its ugly head. But his newly normal life takes a devastating turn when a night out with friends ends in tragedy. After waking up in a sanitarium straight from an old classic, Troy comes face-to-face with Dr. Erica Pendergrass, a psychiatrist and computer neuroscientist with a dangerous obsession, and the advanced technology to make sure she gets exactly what she wants. Now Troy is forced to sit back helplessly, as an unending love threatens to destroy everything (and everyone) who gets in its way. And unfortunately for him, that includes the most precious people in his life, those whom he would do anything to keep out of harm's way. Love Has No Ending combines the dark obsession of Misery with the action and high-tech drama of The Girl with the Dragon Tattoo for an unforgettable thrill ride through the human psyche and twists and turns that will keep you guessing until the very end. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
