Beyond the Lean Revolution: Achieving Successful and Sustainable Enterprise Transformation: Achieving Successful and Sustainable Enterprise Transformation (Hardback)

By Deborah J. Nightingale, Jayakanth Srinivasan

Amacom, United States, 2011. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Most organizations are engaged in change efforts often focused solely on eliminating waste in specific departments or silos. That s the lean paradigm, and while it s a good place to start, enterprise transformation goes much further. It begins with the big picture: What are the strategic objectives? How is the enterprise performing against those objectives? How should it be? Who are the stakeholders and what do they value? Then it moves forward toward an audacious vision of the enterprise s future. Based on years of research and implementation, Beyond the Lean Revolution provides a roadmap for achieving sustainable, bottom-line results, delivering value to stakeholders, and reaching that future vision. Filled with illuminating examples, the book moves well beyond traditional lean thinking, showing readers how to: Ensure senior leadership commitment Assess the enterprise s current state Analyze stakeholder values Develop a future vision Create a plan for transformation From inception to implementation and beyond, this book provides a holistic framework for bridging the gap from...
