Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest pdf for ever.

REGARDING RULE 99 (PAPERBACK)

University School of Nashville, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Regarding Rule 99 is a collection of historically inspired poems by high school students at the University School of Nashville. Stemming from an interdisciplinary, project-based learning course, students engaged in the literary study of poems of time and place, selected a local historical event, conducted archival research, and wrote, revised and published an anthology based on these experiences. Regarding Rule 99 explores the Dutchman s Curve train wreck of 1918. The narrative, lyric and portrait-like persona poems offer a nuanced view of a Southern city in the midst of a gruesome tragedy during WWI and the Jim Crow era. These young writers present the deadliest train crash in America through well-crafted poems that novelist Ann Patchett describes as a work of compassion and artistry that fills the reader with wonder.
