Adams Media Corporation. Paperback. Book Condition: new. BRAND NEW, Fairy Tales Black Out Games, Adams Media, Think outside the puzzle with this book! Combining the simplicity of word search with the creativity of magnetic poetry, this clever book dares you to black out words and phrases and transform long-treasured fairy tales into outrageous, poetic, or truly bizarre messages. Where would you like to be right now? All the Fairies began to give their gifts to the Princess. The youngest gave her for gift, that she should be the most beautiful person in the world; the next, that she should have the wit of an angel; the third, that she should have a wonderful grace in every thing she did; the fourth, that she should dance perfectly well; the fifth, that she should sing like a nightingale; and the sixth, that she should play upon all kinds of music to the utmost perfection. The old Fairy's turn coming next, with a head shaking more with spite than age, she said, that the Princess should have her hand pierced with a spindle, and die of the wound. This terrible gift made the whole company tremble. -From Charles Perrault's "Sleeping Beauty in the Wood" Finally, here's your chance to create your own wondrous world of enchantment. So go ahead, grab that shiny, plastic crown you've been hiding (you know you want to) and start scribbling outside the lines!.
