

Boundaries and Allegiances: Problems of Justice and Responsibility in Liberal Thought

Filesize: 1.72 MB

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

BOUNDARIES AND ALLEGIANCES: PROBLEMS OF JUSTICE AND RESPONSIBILITY IN LIBERAL THOUGHT

DOWNLOAD

Oxford University Press, USA. Paperback. Book Condition: New. This item is printed on demand. Paperback. 228 pages. This exceptional work--a collection of eleven essays by one of the most fascinating moral philosophers currently writing--explores a perspective that is at once sympathetic towards and critical of liberal political philosophy. The essays address the capacity of liberal thought, and of the moral traditions on which it draws, to accommodate a variety of challenges posed by the changing circumstances of the modern world. They also consider how, in an era of rapid globalization, when our lives are structured by social arrangements and institutions of ever-increasing size, complexity, and scope, we can best conceive of the responsibilities of individual agents and the normative significance of our diverse commitments and allegiances. Linked by common themes, the volume examines the responsibilities we have in virtue of belonging to a community, the compatibility of such obligations with equality, the demands of distributive justice in general, and liberalism's relationship to liberty, community, and equality. This item ships from La Vergne, TN. Paperback.
