Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Simplified Grammar of the Pali Language It would be rather out of place in an elementary Grammar to enter into a long discussion about the age and origin of the Pali language. A few words on the subject will be sufficient: Kuhn, following Westergaard, holds Pali to be the vernacular of Ujjein, the capital of Malava at the time when Mahinda, the son of Asoka, took the sacred Canon with him to Ceylon (beitrage, p. On the other hand, Oldenberg, rejecting that tradition, considers Pali to be the original language of the Kalinga country (vinaya pitaka, Introduction, p. Liv). He compares the language of the large inscription at Khandagiri (cunningham, Corpus Inscriptionum, i. And finds only very little difference between this and the Pali. From this he concludes that there must have been, about a hundred and fifty years before Mahinda, a frequent intercourse between Kalinga and the island; in fact, that the religion, together with its language, was brought over from there to Ceylon. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
