Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When someone mentions speaking in tongues in the Christian faith, some may be confused, or even disgusted, to think this is a way to dialogue with God. However, speaking in tongues is part of linking with the supernatural power of God, stemming from baptism in the Holy Spirit. Author Ronald Gabrielsen describes this type of baptism and communion with God in his nonfiction book, *The Baptism in the Holy Ghost*. Ronald tries to place faith over logic in defining the concept of speaking in tongues, adding to the explanation with scriptural revelations from Jesus and his disciples in the gospels and book of Acts. Connection is also made from prophecies of John the Baptist about speaking in tongues, expanding on the truth that tongues is a spiritual gift from God meant for all Christians. It s not just talking to God in prayer; it s releasing the limits on a limitless God.
