Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Nature and Its Natural Laws: A Practical Treatise on Poultry Culture for Market and Profit This Book will help the experts. It is also intended for those who are about to go into the Poultry business as a business on a large or small scale, and for hatching and raising by incubators and brooders for market purposes. All Poultry breeders have followed a few experts on Poultry and 999 out of every 1,000 failed who followed those so-called experts. Why? Because they really did not know how to instruct the breeders. They themselves could not prevent diseases, could not hatch or raise enough to make it pay. Not one of the experts, professors, doctors or writers of Poultry, etc., made it a special study for fifteen years. I honestly believe that all experts tried their best, and did not intend to mislead anyone who went into the business. Not one in fifty who have written books on Poultry and who have written articles in Poultry papers were practical and experienced on a large scale. They...
