Brand New Book ***** Print on Demand *****.Joint Publication 1, Doctrine for the Armed Forces of the United States, is the capstone publication for all joint doctrine, presenting fundamental principles and overarching guidance for the employment of the Armed Forces of the United States. This change represents the evolution in our warfighting guidance - including the consolidation, behind one cover, of fundamental overarching doctrine and guidance governing the unified direction and employment of forces and the functions of the Department of Defense and its major components. It is vital that we not only develop our military capabilities, but also strengthen the capacity of other government agencies. This publication ties joint doctrine to the national security strategy and national military strategy and describes the military's role in the development of national policy and strategy. It thus provides the linkage between joint doctrine and the contribution of other government agencies and multinational endeavors. As we look globally at our posture and the associated strategic risk, it is imperative that our doctrine also rapidly adjust to reflect our wartime footing. The guidance in this publication will enable current and future leaders of the Armed Forces of the United States to organize, train, and execute worldwide missions as our forces transform to meet emerging challenges. The joint force must simultaneously think ahead at the strategic level, stay current at the operational level, and be informed by tactical level developments. This publication is the capstone joint doctrine publication. It provides doctrine for unified action by the Armed Forces of the United States. As such, it specifies the authorized command relationships and authority that military commanders can use, provides guidance for the exercise of that military authority, provides fundamental principles...
