TOUCHING A NERVE: OUR BRAINS, OUR SELVES (PAPERBACK)

WW Norton Co, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. At the heart of Touching a Nerve is the question of what happens when we accept that everything we feel, think and experience stems not from an immaterial soul but from electrical and chemical activity in our brains. Patricia Churchland, one of the pioneers of neurophilosophy, explains what the latest brain research into consciousness, sensory experience, memory and free will can tell us about the...
