The Need for a Third Political Party - A Commoner's Viewpoint (Paperback)

By J David Retallick

Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Time Has Come For Change In America For starters, how about choices? Presently, we really only have two: the Democratic and Republican parties. The Libertarian and Independent parties exist, but not in a meaningful way. The media pays no attention to them and their organizations are meek at best! When was the last time a member from one of these two parties was elected to a prominent position? I would be hard pressed to name one. I think Joel Liberman from Connecticut recently won the senate race as an independent, but that was strictly circumvention of the system since he lost the primary race as a Democrat! So what is he now? Of course he s a Democrat so what does that say for the system? Not much. I view the Democratic and Republican parties as one long continuum. You have the hard line right wingers of the Republican Party all the way to the right of the continuum, and the liberal left wing Democrats all the way to the left of the continuum. Then you have a bunch of...
