

Speed Reading: Easily 5x Your Reading Speed and Comprehension Immediately

By Michael Dunar

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you struggling to read faster? Are you always trying to figure out how to read more - but the books just keep stacking up? Doesn't it always seem like the most intelligent person or friend you know is always reading a new book? Speed Reading is probably the most valuable skill that a person can learn. Reading expands our influence and impact on our friends and family and most certainly improves our careers. ---Special Bonus At The End Of The Book--- I get it. You want to accomplish more, get more things done quickly, and just get ahead of schedule since it's a competitive world we live in. So what can you do? What options do you have? Did you know it has been proven that the wealthiest people in the world consistently read the most books compared to others? The truth is that we can take anything we want in life to the next level by reading and understanding more about it. Most people just read too slowly. It's not necessarily a bad...
