

## Strange Stones: Dispatches from East and West (Paperback)

Filesize: 2.29 MB

### ***Reviews***

*It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied in my very own life and might be the best ebook for possibly.*

HARPER PERENNIAL, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Full of unforgettable figures and an unrelenting spirit of adventure, *Strange Stones* is a far-ranging, thought-provoking collection of Peter Hessler's best reportage—a dazzling display of the powerful storytelling, shrewd cultural insight, and warm sense of humor that are the trademarks of his work. Over the last decade, as a staff writer for *The New Yorker* and the author of three books, Peter Hessler has lived in Asia and the United States, writing as both native and knowledgeable outsider in these two very different regions. This unusual perspective distinguishes *Strange Stones*, which showcases Hessler's unmatched range as a storyteller. *Wild Flavor* invites readers along on a taste test between two rat restaurants in South China. One story profiles Yao Ming, basketball star and China's most beloved export, another David Spindler, an obsessive and passionate historian of the Great Wall. In *Dr. Don*, Hessler writes movingly about a small-town pharmacist and his relationship with the people he serves. While Hessler's subjects and locations vary, subtle but deeply important thematic links bind these pieces—the strength of local traditions, the surprising overlap between apparently opposing cultures, and the powerful lessons drawn from individuals who straddle different worlds.
