*Completely essential read book. I could possibly comprehend every little thing using this written e book. You wont sense monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Salariya Book Company Ltd. Paperback. Book Condition: new. BRAND NEW, Blood & Fire, Dan Scott, Blood and Fire is the second title in Gladiator School, a series of novels set in ancient Rome. A distinguished senator has gone into hiding after being accused of treachery, leaving his family to fend for themselves. His elder son Quintus has become a gladiator, while young Lucius works as a servant in the gladiator school. Lucius is convinced of his father's innocence - but how can he prove it? The gladiator troupe is sent to Pompeii to take part in the games. It's a lawless place, where knife-wielding thugs lurk in every alleyway. But Lucius is befriended by Valens, the sponsor of the games, who offers to help him find his father. Meanwhile, strange rumblings and tremors are felt in the town, and a seer is warning that the 'end of days' is approaching. What can this portend? Can Quin survive his fights with the seasoned gladiators of Pompeii? And is Valens all he seems?.
