By Daniel J McKelvie

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Earth is facing another global war when thirty-one-year-old Eros Valentin receives a divine gift that could bring world peace. Eros emigrated from Puerto Rico to Los Angeles, California, and wishes to become a successful, heart-moving musician. While playing his guitar in Los Angeles s Central Park one evening, Eros protects his homeless friend, Side Bench Joe, from a trio of thugs. This same night, he magically receives a cosmic Fender Stratocaster, a unique guitar designed by the holy angels. With this gift, he forms the perfect band and brings the healing waves of rhythm back to the planet through music. Meanwhile, Side Bench Joe, who once worked as a scientist, regains his lost memory and returns to Scottsdale, Arizona, to derail the production of super weapons. Acting separately but with the same purpose, Eros and Joe work to save the world from total destruction in this fantasy novel. The Rhythm of Peace asks the question: Can music change the course of the world?.

### Reviews

*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.*
