Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

Brand New Book ***** Print on Demand *****.This book not only helps those who desire to know more about the rewards believers receive, but also helps anyone who wants to learn how to dig deep into the Bible to better understand God s Word. In The Crowns of the Believers Gina Burgess walks through some of the incredible spiritual blessings God has provided for all believers. The crowns that are bestowed on us as followers of Jesus Christ are not only representative of the power and authority God has lavished upon us, but they also indicate a change in our identity. Writers in the New Testament discuss them as rewards received in Heaven, but they aren t just heavenly rewards. Gina studied these spiritual rewards called crowns from Genesis to Revelation, and discovered some incredible things. For instance, there are more than five crowns. She discovered several crowns the Old Testament saints wore, spiritually speaking, while they lived on earth. All believers are even now wearing a few of them. Some of these crowns are: a Crown of Protection, a Crown of Separation, and even a Crown of Pride, or as in some translations, Crown of Insolence among others. Join Gina in this in depth, but not exhaustive, study. Some findings just may surprise you.
